As Per instructions issued by the President, District Board, Bellary on 27-3-46, I submitted an estimate for Rs.1120/- for extending the compound wall of the Board High School at Harapanahalli enclosing the weaving section and the latrine on 5-3-46. Since the execution of the above work for Rs.1120/- and two other works costing less than 500 of Harapanahalli Board High School was considered to be specially urgent, the President, District Board, Bellary in his note dated 29-10-46 to the Assistant Engineer for L.F. Works Hospet (Copy enclosed) issued instructions to get the works executed by any piece worker. Accordingly the Assistant Engineer for District Board works Hospet entrusted the work of "Extending the compound wall" to one Janab Batari Nanu Saheb at Estimate rates and is requesting for approval of his action.

The President, District Board, Bellary did not issue his order dated 29-10-46 after taking your previous approval dispensing with the tenders as per rules laid down in G.O.No.902 L.A. dated 26-4-44. So you are requested to kindly condone the irregularity and ratify the order dated 29-10-46 issued by the President, District Board, and the entrustment of the work to Janab. - Bateri Nanu Saheb at estimate rates as the work was of an urgent nature and no contractors were forth coming to do the work at rates less than the estimated rates. I am making payment of the bill in anticipation of approval.

Copy submitted to Superintending Engineer (H) II Circle Bellary direct to save delay.

In view of the dearth of contractors to work at estimate rates for the above sanctioned works (by the District Board) you please have them executed without calling for tenders either departmentally or by willing piece worker (within the estimate rate) to work under the immediate supervision of the Head Master of the Board High School Harapanahalli.

Vice President, District Board,
